

"Trillium Drug Program" Renewal

-Do you receive Trillium Drug Program "TDP" assistance for your prescription medications?

-Have you received your 2008-2009 TDP enrolment/renewal letter?

-If you have *not* received your TDP letter yet, you should contact the Trillium Drug Program immediately at:

416-642-3038 or 1-800-575-5386

Until your TDP enrolment is confirmed, you will have to pay in full for all your prescriptions yourself. Be sure to keep all of your prescription receipts to submit to the TDP when your TDP enrolment is confirmed.
