

HALCO is moving in late May 2016

As reported, HALCO is participating in a project to co-locate with a number of community legal clinics.¹ In late May, we will be moving to:

**55 University Avenue, Suite 1400
Toronto, Ontario M5J 2H7**

Our new office is just south of the fully accessible St. Andrew subway station at University Avenue and King Street West. Our telephone, FAX, website and email contact information will not change.

To minimize service disruption, our move is scheduled to take place on the last weekend of May, but our office will be closed on Friday, May 27 and Monday, May 30.

As always, our primary focus continues to be the provision of free legal services for people living with HIV in Ontario. Although we will be sharing common space with other co-located legal clinics, we will have a separate office and reception area.

HALCO will continue to be an independent community-based legal clinic with a board of directors (the majority of whom must be living with HIV).

If you have any questions, please call us at 416-340-7790 or toll-free 1-888-705-8889.
