

# HIV IS NOT A CRIME

*Calling for an end to Canada's overly broad criminalization of HIV non-disclosure*

## A lunchtime talk by Ryan Peck

Executive Director, HIV & AIDS Legal Clinic Ontario (HALCO)

Lawyer Ryan Peck argues that Canada has unfortunately become a world leader when it comes to prosecuting people with HIV. This lecture will explore the use of the criminal law in relation to HIV non-disclosure and highlight law reform efforts to bring the law in line with up-to-date science and human rights principles.
